

Piyush Pradip Dhondge

[Linked In](#) | +91 8830264826 | piyushdhondge.scoe.comp@gmail.com | [GitHub](#)

SKILLS & INTERESTS

Skills: Data Structures & Algorithm, C/C++, HTML, CSS, Javascript, ReactJS, Node.js, MongoDB, SQL, Git and GitHub

EDUCATION

Sinhgad College of Engineering

Computer Engineering

CGPA: 7.34/10

Pune

Graduation Date: Jun 2025

Namo Rims Jr. Clg

12th | MHBSHSE

Percentage: 88.67/100

Pune

Graduation Date: 2021

Sharad Pawar International School

10th | CBSE

Percentage: 86.60/100

Nashik

Graduation Date: 2019

WORK EXPERIENCE

Technofirst Solutions

Web Development Intern

Dec 2023 - Jan 2024

Bluestock Fintech

SDE Intern

Jun 2024 - Aug 2024

Webstack Academy - WSA

MERN Stack Development Intern

Jul 2024 - Sep 2024

PROJECT EXPERIENCE

Sorting Visualizer

- Developed a web-based Sorting Visualizer to dynamically demonstrate various sorting algorithms with real-time animations.
- <https://github.com/IamPiyush03/Sorting-Visualizer-Project>

FlavorFleet: A Full-Stack Food Ordering Platform

- This project involved building a full-stack food ordering website using the MERN stack, featuring user registration, menu filtering, cart management, and a secure checkout process. The platform efficiently handles both frontend and backend tasks, offering a seamless user experience.
